

Domina Italian Hotels in Russia: A Classy Holiday for Serious Business

The secret of an effective holiday is simple: a blend of ambiance, new experiences, complete discretion and intuitively comprehensive service. The Italians are convinced, that even a business trip is capable of adding something to the working life. What's most important is knowing how to meet each guest's impeccable tastes.

The unique lifestyle hotel of the Northern Venice is just steps away from St. Isaac's Cathedral

Always in TripAdvisor's "TOP-10 Luxury Hotels of Russia", in true "Italian" fashion, this hotel in the Northern Venice is accustomed to comfort... that is to say on the waterfront. At the pier of the embankment, **Moyka 99**, footsteps from St. Isaac's cathedral, moored in front of a 19th century mansion, you are at home. Welcome to the bright, unforgettable world of the five-star Domina. Family, Romance, Adventure, Fantasy and Nature all find their way into the concept of each room, reflecting a philosophy that matches your style of life. The hotel is indeed a treasure box with a secret: behind the imposing classical exterior is a wealth of Italian art design, sparkling with hospitality and complete privacy on your holiday. Hoping to escape into a world of light? Choose the chic red interiors of Arcobaleno, or the orange-crystal Nove bar with its secret room. For lovers of culinary delights, an author's approach to Italian specialties, with an excellent wine and cocktail menu.

A business hotel in the heart of Siberia with European horizons for travel and work

A new addition to the Domina collection is our business hotel on the banks of the River Ob, having just opened in the beginning of 2016. Italy in the Siberian capital is the way many refer to Domina Novosibirsk at **Ul. Lenina 26**. The hotel was conceived and founded as a gift to traveling professionals, where a happy mix of work and respite was forged. Half an hour from the airport and you are simultaneously in the city centre and this spacious comfort zone. Fall into a deep, calm sleep in one of our luxurious rooms after your flight, before replenishing your strength in our fitness centre. Rapid Wi-Fi, a round-the-clock workstation and meeting rooms help you realise all of your business plans. The hotel is capable of accommodating conferences for 500 guests, while in the evening well-deserved respite awaits in the Jacuzzi. The panoramic Tartufo restaurant and Brera bar are reason alone to return to Novosibirsk again.
